Lifting Innovation

Our forklifts are engineered and designed to handle long loads safely.

Storage

**Increase Storage and Space.
Enhance Safety.**

WITHOUT COMBILIFT

WITH COMBILIFT

C-Series

- Safer Long Load Handling
- Bulk Storage
- Parts Commonality
- Load Bearing Platform
- Space Saving

AJN Steel Stockholders

Combi SC Structural Steel

C-Series

- 2-25T Capacity
- Electric, LPG or Diesel
- Lift heights up to 12.5M
- Forward Facing
- Reduce Product Damage
- Visibility

Combi-CB

- 1.5-4T Capacity
- Electric, LPG or Diesel
- 4 Way Counterbalance
- Increased Productivity
- Reduced Product Damage
- Ground Level Accessibility
- Safer Long Load Handling

Combi-CB

- Pallets / Long Loads
- Parts Commonality
- Indoor & Outdoor
- Space Saving

Combi-WR4

- 4-Way Walkie Reach Truck
- Pedestrian Operated
- Enhanced Aisle Safety
- Space Saving
- Safer Long Load Handling
- Patented Tiller Arm
- Parts Commonality
- Designed for Long Loads
- Reduced Product Damage

Combi-SL

- Enhanced Visibility
- 3 Wheel Multi-Directional
- Narrow Aisle Performance
- Reduce Product Damage
- Block or Bulk Stack
- Manoeuvrability

Combi-FWSL

- 4 Wheel – 2 Directional
- Long Distance Capabilities
- Narrow Aisle Performance
- Safer Load Handling
- Parts Commonality

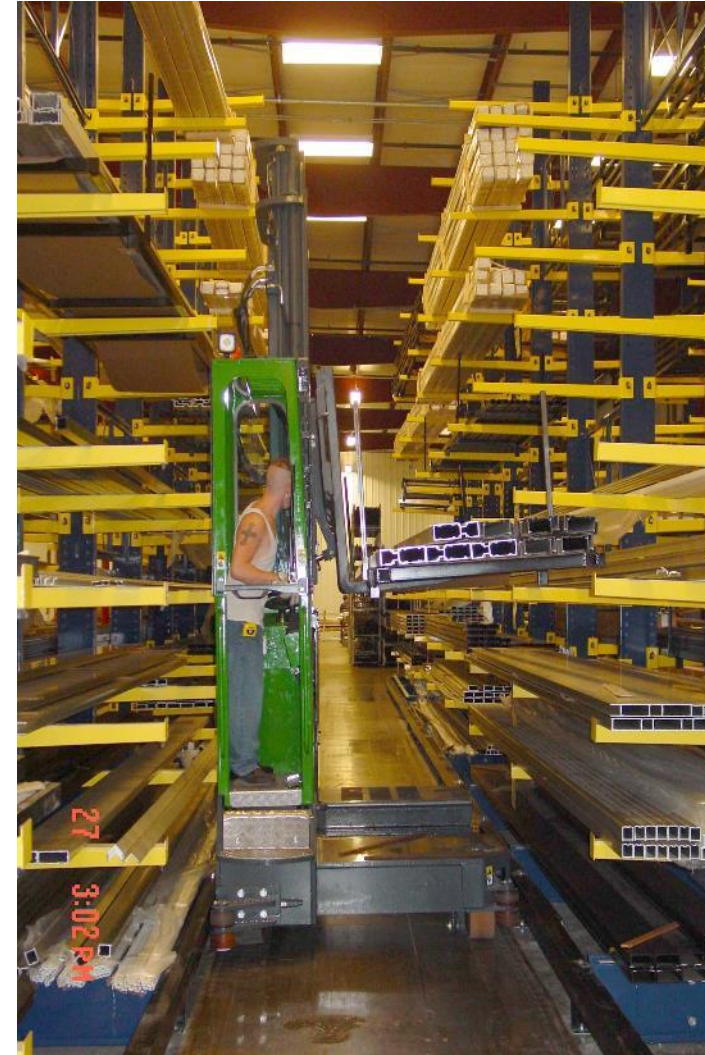

Combi-ST

- 4 Way
- 3 Trucks in 1
- Stand Up Operator
- Narrow Aisle
- Safer Load Handling
- Enhanced Visibility
- Indoor / Outdoor
- Parts Commonality

Combi-GT

- 2 Directional
- Maximised Aisle Performance
- Reduced Product Damage
- Parts Commonality
- Space Saving
- Safer Load Handling
- Enhanced Visibility

Combi-MR

- Low Operator Entry & Exit
 - Large Wheels & Ground Clearance
 - Multi-Function Joystick
 - Safer Load Handling
- Wide Hydraulic Fork Carriage
 - Enhanced Visibility
 - Operator Safety
 - Reduce Product Damage

Combi-RT

- Rough Terrain
- Safer Load Handling
- Poultry Industry
- Large Ground Clearance
- Reduced Maintenance Costs
- Robust Ergonomic Design
- Reduce Product Damage

Combi-SC (Straddle Carrier)

- 20-150,000kg Lift Capacity
- Light Foot Print
- Safer Load Handling
- Low Door Ways
- Product Transfer
- Cost Saving

Combi-SC (Straddle Carrier)

- Remote Option Available
- Enhanced Visibility
- Double Stack Capabilities
- Reduce Product Damage
- Parts Commonality

Aisle Master

- Minimum 1.6m Aisle
- 1.5-3T Capacities
- Reduce Product Damage
- Lift Heights up to 15m
- 5 Year / 5,000hrs Parts Warranty
- Increased Productivity
- Space Saving
- Indoor & Outdoor
- 2 Trucks in 1
- Enhanced Visibility

Aisle Master

- 5 Year / 5,000hrs Parts Warranty
- Parts Commonality
- Increased Productivity
- Space Saving

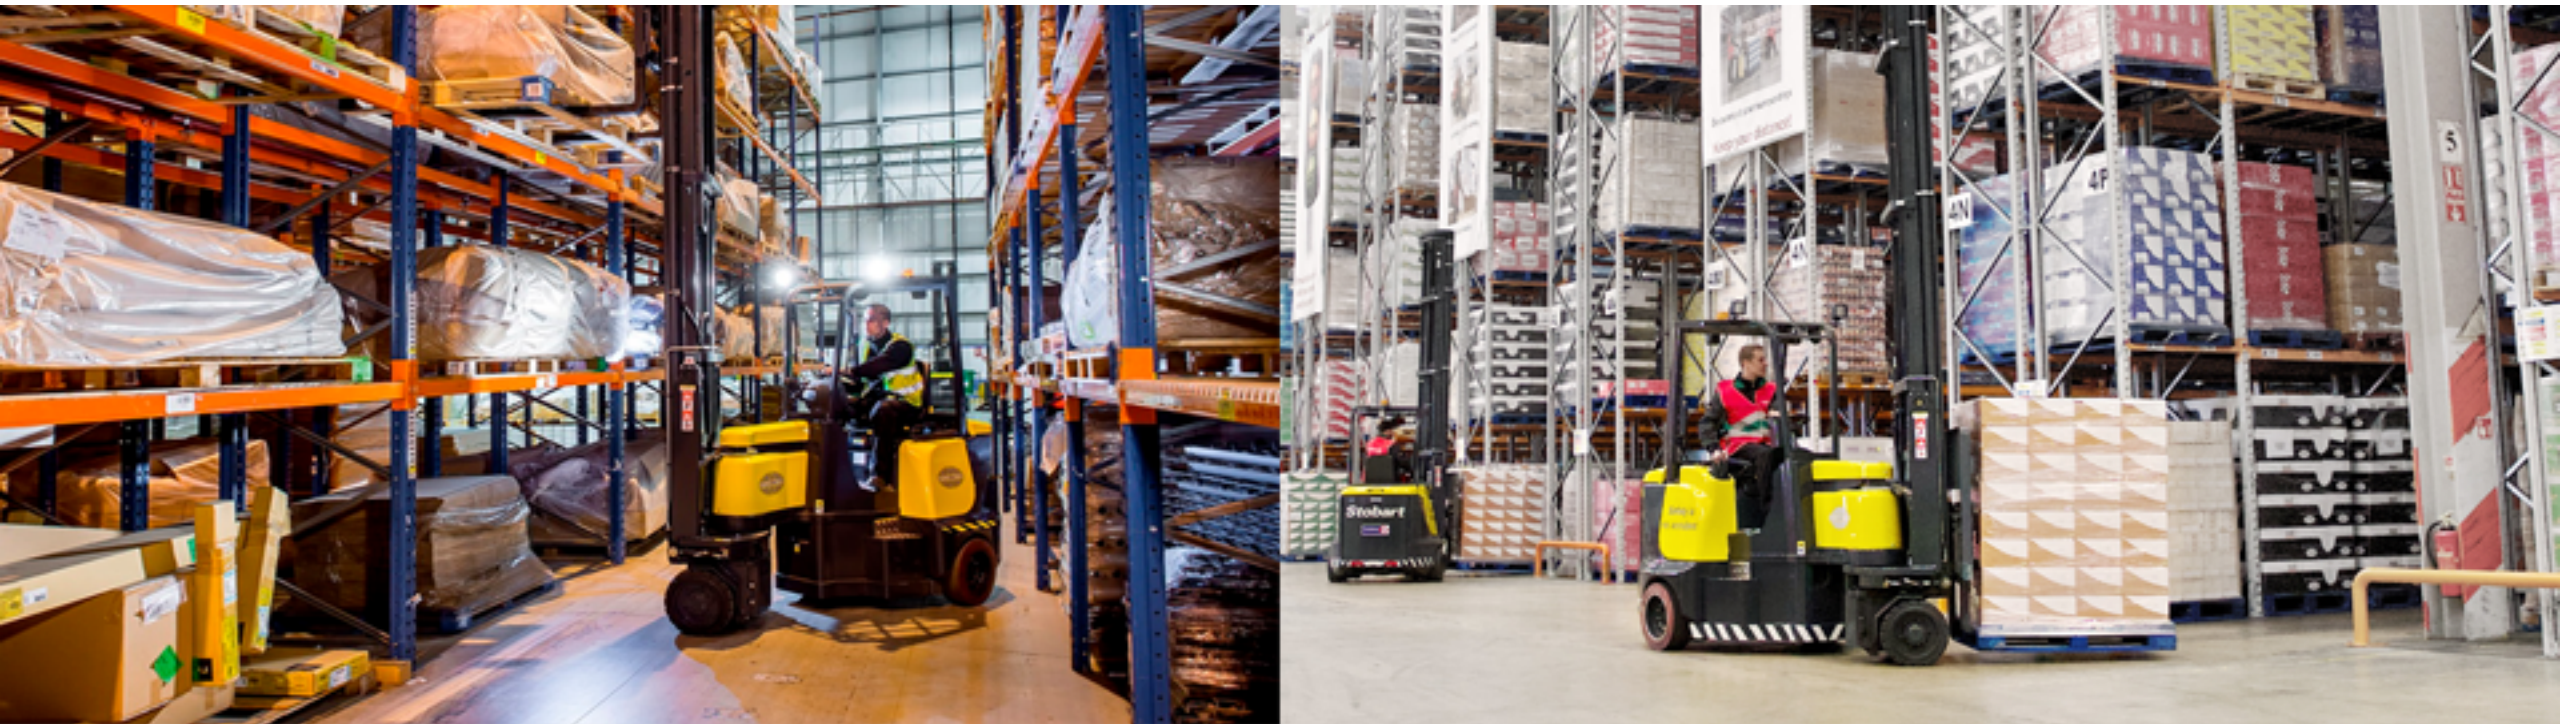

Aisle Master

- Warehousing & Distribution
- Transport & Logistics
- Food & Drink
- Automotive & Aerospace

Industries

- Building Supplies
- Pharmaceutical
- Packaging

Combi-WR

- Walkie Reach Truck
- Space Saving
- Pedestrian Operated
- Patented Tiller Arm
- Safety Focused – Operator
- Safer Load Handling
- Enhanced Visibility
- Parts Commonality
- Reduced Product Damage

Combi-CS

- Compact Stacker
- Space Saving
- Operator Safety
- Compact Dimensions
- Safer Load Handling
- Easy to Operate
- Patented Tiller Arm
- Parts Commonality
- Reduced Product Damage
- Roll out Battery

Combi-PPT

- 5 - 17T Powered Pallet Truck
- Space Saving
- Pedestrian Operated
- Safer Load Handling
- Safety Focused Design
- Parts Commonality
- Roll Out Battery
- Patented Tiller Arm
- Great Visibility
- Reduce Product Damage

Combi-Connect

SOLUTIONS FOR A **WORLD** IN MOTION

“Combi-Connect”, free of charge service from our logistic experts.

Visualise your set-up, optimise and control the flow of goods.

Logistics – Solution Provider
